

Oakridge Over the Shoulder

Oakridge is brand new to Canada, and we are so happy to be able to be the first to introduce you to them! Want to find out more about Oakridge and all their wines? Visit Oakridgewines.ca to shop anywhere in Canada.

Considered to be on the cool climate end of the spectrum, of Australian wine regions, the Yarra Valley has earned consistent recognition on an international scale for its ability to produce super premium wines. The Oakridge 'Over the Shoulder Series' is a prime example of the medium-bodied, low alcohol wines, that come from the Yarra Valley. With its grapes 100% handpicked, these wines offer an intense, sharp finish while exuding elegance in your glass. 'Over the Shoulder' wines are produced to highlight varietal characteristics of the Yarra Valley, giving you a prime example of the region's potential. Everyday wines that are sure to 'wow', enjoy today or within the next year or two. Chill to 18C.

Oakridge Over the Shoulder

CABERNET SAUVIGNON | MERLOT
YARRA VALLEY, TVICTORIA, AUSTRALIA
13.4% ALCOHOL
\$52

HOW IT LOOKS

Dark cherry red, with swirls of purple that rim the glass.

HOW IT SMELLS

Very fragrant and bursting with fruit flavours of plum, cherry, with a hint of black currant. Earthy undertones of cedar, sandalwood and spicy, pipe tobacco give an extra layer of robust, funky aromas.

FOOD PAIRING

Fire up your grill and try this blend with light, juicy meats like pork tenderloin or lamb, seasoned with rosemary and thyme. This series of wines is meant to be matched with food, compliments of their great natural acidity.

HOW IT TASTES

Over the Shoulder wines are produced to be "fresh and vibrant". The Cabernet Sauvignon and Merlot blend marries the best characteristics from these two varietals and complement one another's best features. The Cab aficionados will love the black currant, and peppery notes. While the Merlot laces the wine with the lovely, dark fruit flavours of cherry and plum. The tannins are smooth, thanks to the Merlot, but take on the lingering finish of the Cab.
